

PUBLIC SCOPING WORKSHEET

CLEAR CREEK MANAGEMENT AREA

RESOURCE MANAGEMENT PLAN

We want to develop a broad "vision" for the future of BLM public lands in CCMA that reflects the values of the communities and people who live near, visit, and/or care about their public lands. Because the RMP will guide the area's management practices for the next 10-15 years, we need a clear understanding of where we are going and what we want to accomplish. Please take a few minutes to fill out this worksheet that will help us develop a vision for Your Public Lands. You may add more pages if you desire. **Please return by December 17, 2007.**

If you wish to withhold your name or street address from public review or disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your written comment. Such requests will be honored to the extent allowed by law. All submissions from organizations and businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, may be available for public inspection in their entirety.
