**EA CA-190-16. Timekeepers Motorcycle Club Wild Boar & Piglet. Pending**

### OHV (Green Sticker) Grant Program Update

**The 2007 Grant hearings were held on Dec. 8-9th. Currently the Hollister Field Office has been approved for recommended law enforcement, conservation, and two restoration grants. Remaining non-CESA grants will be heard in January. Two seasonal park rangers have been hired and are scheduled to report soon.**

### Asbestos Alert

**The risk of exposure to airborne asbestos exists year-round in the CCMA. Take measures to reduce exposure to dust by spacing vehicles, avoiding dry dusty conditions, and washing vehicles and clothing before returning home. Children are most at risk to exposure. Learn more about the recent Asbestos Risk Assessment at: [www.epa.gov/region09/noa/clearcreek](http://www.epa.gov/region09/noa/clearcreek).**

**Fee Program information is available at the CCMA entrance station or the Hollister Field Office. Call Lesly Smith at (831) 630-5015 for more information.**

**To assist on projects in Clear Creek, call David Moore at (831) 630-5035.**

### Upcoming Competitive Events

**Salinas Ramblers Quicksilver 02/18/07**
