Welcome New Employees

Two seasonal CCMA park rangers have been hired. We now have four full time law enforcement rangers.

Federal Lands Recreation Enhancement Act (FLREA)

Under FLREA, before BLM can start charging fees to the public, a Recreation Resource Advisory Committee (RECRAC) will be formed and each site shall go through a review process to approve/disapprove a new fee program. California now has at least one applicant for each of the 11 seats on the RECRAC. A screening panel will be set up in January and a qualified list will be referred by the panel to Mike Pool, BLM-California's State Director and Bernie Weingardt, USFS Pacific Southwest Regional Forester for selection.
