CCMA Bulletin

December 2007

Happy Holidays from all of us
at the Hollister Field Office.

Be on the lookout for new signs as you enter Clear Creek regarding collection of fees. Road widening and site preparation for the new entrance station building will begin in November with the station up and running mid-to-late January. Expect delays for incoming and outgoing traffic Monday through Thursday on Clear Creek Road during the construction phase of this project.

**New Season Passes
will be good from
January 1 to
December 31, 2008.**

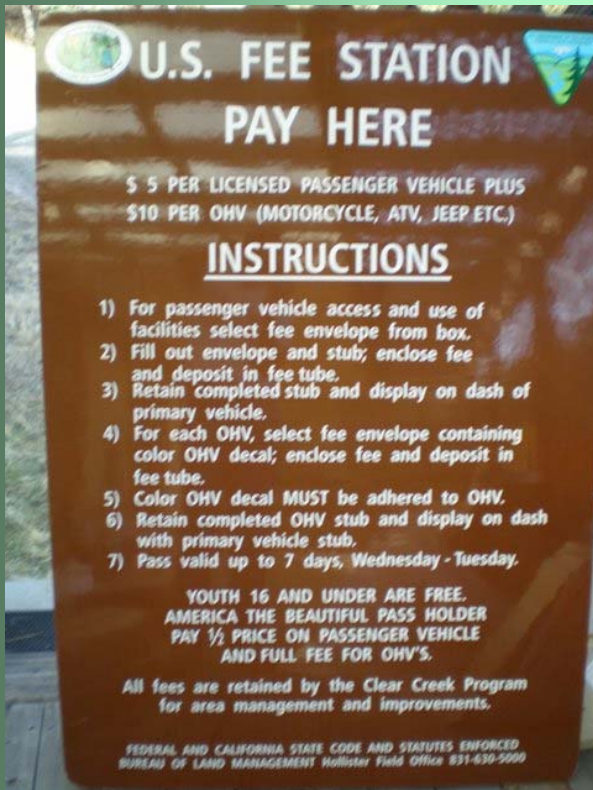

There is a no shooting zone $\frac{1}{4}$ mile on both sides of Clear Creek Road. California State Law prohibits hunting $\frac{1}{2}$ hour after sunset and $\frac{1}{2}$ hour before sunrise.

Asbestos Alert

The risk of exposure to airborne asbestos exists year-round in Clear Creek. Visitors are encouraged to space vehicles when riding, keep windows up in passenger vehicles, and consider not bringing children to the area as they are most at risk.

This sign will be at the north entrance south of Idria. If you enter here, you will have to drive to the entrance to purchase your passes.

This is the sign you will see at the self-pay station at the entrance to Clear Creek where you can obtain and pay for your weekly primary vehicle fee and/or OHV fee(s).

For more information on the contents in this newsletter, contact the Hollister Field Office Monday – Friday at 831-630-5000 from 7:30 am to 4:00 pm.
