

**JORDAN BRANDT TO  
REPRESENT THE UNITED  
STATES AT THE 2007  
INTERNATIONAL SIX  
DAYS ENDURO**

Jordan Brandt has been selected by the AMA to represent the United States on the elite Trophy Team for the grueling 6 Days [ISDE] competition to be held from November 12-17 in LaSerena, Chile. The ISDE is the oldest continuously running form of world championship motorcycle racing and is often referred to as the Olympic Games of off-road motorcycling. Not only must a rider endure six punishing days of up to 200 miles per day on the trail, but the rider is the sole individual allowed to complete the major mechanical maintenance to keep his bike running; others may only add air to the tires or fuel to the tank.

Each year, countries from around the world send teams of their best riders to compete in several categories, with the World Trophy the most coveted prize in which a country's six best racers strive for.

To help Jordan with his expenses we are having a fundraiser on Oct. 27. (see attached flyer) If you are not able to attend but would like to make a donation please send your donation to:
