"A Case for Access"

Repsol and Motorcycle Stuff will partner with the *American Motorcyclist Association District 36 (AMA D36)* and the *BlueRibbon Coalition Legal Defense Fund (BRCLDF)* on a program titled "A Case for Access". This program will encourage motorcycle enthusiasts throughout Northern California to purchase Repsol lubricants and a portion of the proceeds from these sales will be donated by Repsol and Motorcycle Stuff to ongoing legal efforts at the Clear Creek Management Area and on the El Dorado National Forest. *This is something that EVERY motorcyclist in northern CA can help with.*

This promotion to benefit the BlueRibbon Coalition will run from January 1 through March 31, 2006 and ALL Repsol lubricant product sales in Northern California will be counted. In addition, anyone purchasing Repsol Products by the case gets a FREE Repsol T-shirt. More information about the program and participating dealers may be found on the Salinas Rambler's web site at: www.salinasramblersmc.org/Repsol/Promotion.htm
